

Are you thinking of new windows for your school this summer holiday?

Anglian Building Products has extensive experience of working in both the public and private education sectors. Anglian offers a wide range of PVCu windows for large projects at highly competitive prices.

- Warmer and more secure buildings
- Works undertaken in holiday or term-time
- Making health & safety a priority
- CRB checked personnel
- Full design service
- After sales support

Don't miss out. Call us today on 0870 428 0274.

Take a look below at some of our previous work:

Durham County Schools

"The children's education was not disrupted and we didn't have to be concerned about their well-being as health and safety was paramount with Anglian"

Denise Todd, Headteacher of **Shotley Bridge Junior School**

Bracknell Forest Schools

"Everybody noticed the difference. The classrooms were warmer and the new windows enhanced the front of the school"

June Newell, Business Manager for **Sandy Lane School**.

East Ayrshire Schools

"Drongan Primary School was particularly delighted with how things went and the headteacher couldn't give enough praise. Your fitters were first-class"

Robin Telfer of East Ayrshire Council.
