SHELTERED HOUSING

Meadow Court in Wickford is one of 49 sheltered housing schemes run by Basildon Council.

Anglian was appointed to undertake a window and door replacement scheme to five blocks of ground/ first floor flats and communal areas.

PVC-U casement windows and doors were installed to 50 flats and aluminium doors to their communal areas.

Many residents at Meadow Court were elderly and/or vulnerable so Anglian's Resident Liaison Officer was onsite both prior to and during the works to provide appropriate additional support.

All residents were provided with a Resident Information Handbook and a choice of door design.
